7.1.1	The FDC arm of the service is "blurred" with the LDC rooms. The FDC service does not have a clear and separate "identity" – it is difficult to support educators to view the scheme as separate to the Kindergarten and for the approved providers to be seen as clear advocates for FDC.	A very clearly separate identity for the FDC and LDC services.	L	Rebranding the kindergarten service and moving the FDC admin offices out of the LDC building. Moving the offices will allow the service to development a clear FDC identity, including a FDC playgroup space, and a designated training space for educator gatherings.	Educators commencing with Peace of Mind FDC have no confusion or conflict with the LDC aspect of the business. Exiting educators have a sense that FDC is a priority for the service. Families and community will have no confusion over the roles/service offerings for each company.	July 2021.	Feb 2021 – an office building has been located and approvals are going through council. March 2021 Educators were made aware of the intended change of office location to occur this year and why.
